Good morning David,

Thank you for reaching out to our team yesterday. Consistent with our discussion, if any related procedural issues arise in filing your response that require our assistance, then please let us know. As we also mentioned, we remain interested in scheduling another conference call to discuss settlement possibilities. If you could, please advise with respect to your availability. We are free to discuss sometime next week.

Thanks,
Jacob

Jacob, Mark, and John,

Do any of you have time today for a brief phone call. I'd like to discuss an issue regarding our response to your motion for protective order. I can call at your convenience.
